## The College Aptitude & Readiness Exam

**Ensure accurate and effective course placement decisions resulting in improved retention and graduation rates with C.A.R.E.**

The College Aptitude and Readiness Exam (C.A.R.E.) combines computer-adaptive, diagnostic and IntelliMetric® writing assessments to provide a comprehensive analysis of student college readiness.

C.A.R.E. measures the competencies critical for college success in Mathematics, English Language Arts, and English as a Second Language. With C.A.R.E., our partners are seeing a reduction in the number of students placed into developmental courses by an average of 60%.

### C.A.R.E Highlights

**Diagnostic analyses** that delivers unique insights into students' strengths and weaknesses for each competency measured

**Tools and resources** are provided via iseek.ai to support students in mitigating gaps in learning

**A full library** of computer adaptive and diagnostic tests for Math, ELA and ESL

**A wide variety** of IntelliMetric® writing assessment prompts for measurement of writing proficiency and benchmarking

**Customizable delivery pathways** for each institution and/or student cohort

**Remote Proctoring** supported
